

# ABPM IS FOR BRIEFING PROFESSIONALS

## SUPPORTING & ELEVATING PROGRAMS, GLOBALLY

### RESOURCES TO ASSIST YOU

Resource libraries, processes & tools, studies & surveys; there's no need to reinvent the wheel or fly blind. ABPM's thirty years of institutional experience with world class briefing programs and best practices means we have a wealth of resources waiting to be tapped. We can help you and your team best assess where you are, today, and assist in mapping a path for your program that will take it into the future. We'll help you build upon, and improve, all that you do.

### EDUCATION & TRAINING TO GROW

ABPM offers Core and Advanced Competency Curriculums that are highly customized for the development of briefing professionals. With events like our annual Spring Conference, European Conference, Fall Workshop Series, Virtual Workshops and Regional Meetings, we provide strong, content-based, high-interest programming that will set your briefing program and its staff on the path to World Class greatness.

### OUR MEMBERS ARE SOME OF OUR BIGGEST FANS AND SUPPORTERS

ABPM draws its membership from Fortune 500 companies around the globe, and with thirty years of assisting them with their programs, we've won them over. If you'd like references from member companies found in your country, region or industry, please do not hesitate to ask. We're happy to put you in touch with peers who appreciate the value of ABPM membership.

### NETWORKING TO EXPAND HORIZONS

Our MyABPM app is available 24/7 allowing you to ask questions and have discussions on topics of interest with your peers. Plus, our ABPM.com member database offers one-on-one connections. Traveling for business soon? Inform the ABPM team and we'll be happy to connect you with fellow members in the area of your destination to arrange site visits to their programs and centers. Safe knowledge-sharing is deeply engrained in our culture.
